JET LAG RELIEF

A collection of energy balancing techniques and aromatic blend of essential oils used to calm, uplift, energize, and cleanse the upper body and feet.

THAI YOGA STRETCH

Awaken your body with an energizing and rigorous massage influenced by traditional Thai massage and yoga. The massage is performed on a soft floor mat, without oil and fully clothed, using compression and stretching work to restore balance and alignment. This is an effective way to reduce stress, increase energy and flexibility, and centers the mind and body.

PRE & POST NATAL

It helps to minimize physical and emotional discomforts of pregnancy and childbirth. The mother's body is positioned properly and supported during the massage using pregnancy support cushions to ensure comfort and safety for mother and baby. All pure oils are used to thoroughly relax and massage the body. This gentle and nurturing massage will relieve lower back pain, hip pains, leg cramps, abdominal pressure and fatigue, and reduce swelling.
